United States District Court

RE: The Classification committee Abuse of Discretion

Samuel Submit to the District Court that my Abuse of Discretion Claim is base on the Committee * Keep telling me that if you do the Treatment Plan they will move me to the Compound. But every time I complete the Treatment plan and level and good behavior also low points. I am kept back and told to repeat the same Treatment Plan etc. and I will be Classified out of Maximum and to the Compound. First I was told to complete level 1 to 6 and I would go to the Compound. I did complete 1 to 6 (See Exhibit B1) But I was not move to the Compound. Instead I was kept on level 6 and given Treatment into the Kitchen (see exhibit B-2) and (exhibit A-10) I was at this point told the same that I will be moved to the Compound if I continue my good behavior. I continued my good behavior for 17 more months. But the warden vetoed my Classification (see exhibit A-12) A year latter I was Classified to the Compound (see exhibit A-13) But I was never moved to the Compound. Instead I was put in Max/MHU this Classification to Max/MHU was not meaningful for me to be put in a disciplinary status and not meaningful to then be placed in Isolation then to SHU/Max (exhibit C-2) then back to Max/MHU. Samuel Submit that I was only suppose to be in the MHU for 3 months at the begining everyone else was moved in about 3 months I am kept back for years and moved backward, way back I get the punishment for doing good, that I get for doing bad things
